LOCAL PTA ACTIVITIES

L-SP Council

A new series of Junior Movie Matinees sponsored by the Lomita-San Pedro PTA will begin Saturday, Jan. 28, at the Fox Strand Theatre in San Pedro. The series is to be shown over a period of ten weeks, every Saturday, from 12 noon to 2 p.m.

Mrs. Howard Fuels, Council Movie chairman, and Harry Lane, manager of the theatre, have enthusiastically hailed the previous series as a step toward better movies for children and a one-way ticket toward curbing juvenile delinquency.

The movies selected to be shown during the series are, in order of showing: Jan. 28, Escapade in Japan; Feb. 11, Chief Crazy Horse; Feb. 25, Birds and the Bees, with George Goebel; March 11, From the Earth to the Moon; March 25, Littlest Hobo.

Rated as top quality, and

scaled for children and adult viewing, the movies will provide many hours of wholesome entertainment for the small fry. Each person attending must have his own book of tickets which may be purchased from local PTA chairmen. Parents, pre-schoolers and elementary school children are invited to attend. Students in parochial or private schools are urged to attend and may purchase books of tickets from elementary schools.

The showing of Junior Matinees has been a child welfare project of the Council for the past year and a half. Associations taking part in the project are: Bandini, Barton Hill, Cabrillo, Crestwood, Fifteenth Street, Halldale, Harbor City, Leland, Point Fermin, Seventh Street, Western Place, Southshores, 223rd St., 259th Place, White Point, and Normont.

Van Deene

A pre-planning meeting to

start a PTA at the new Van Deene School was held recently in the school auditorium, and was attended by Mrs. Merrill Lindley, president, and Mrs. Neils Iversen, first vice president of 186th Street PTA.

Van Deene School was opened last May and students were transferred from 186th Street, Halldale and Carson Street schools. Approximately 350 students were transferred from 186th Street School to alleviate the overcrowded classrooms.

Mrs. H. W. Pieper, third vice president of Tenth District and Director of Extension, conducted the informal meeting. Those attending voted to start a PTA and elected four members to the nominating committee and two alternates.

An organization meeting will be held on Feb. 7, at 10 a.m. in the school auditorium. Mrs. L. E. Montenegro, Tenth District president, will install the newly-elected officers at that time.

Prices on cuts as well as demand for them changes. Roasts and meats for braising are more popular in the winter . . . that's when to look at steak price tags. Lamb of finest quality is abundant and markets expect to feature it for the next few weeks. Watch for "specials." Poultry is plentiful, particularly broiler-fryers. Beef and pork prices show lower tendencies only on featured items.
